Safety D	Data Sheet		
Section 1:	Identification		
Name: TMA - RUST-AWAY	Date Issued: 02/06/2017		
Other Name: N/A	TMA Code: TM108622		
Recommended Use: Helps remove iron from fabric.			
Supplier Information: Technical Marketing Alliance 2335 But			
Emergency Telephone: 800-424-9300	Product Information: 859-727-7854		
	rd(s) Identification		
	lealth Effects Label Elements:		
Signal Word = Danger			
Hazard Category: 1 - Corrosive to metals			
Acute Oral Toxicity = 4 - Harmful if swallowed Acute Dermal Toxicity = 4 - Harmful in contact with skin			
Skin Corrosion/Irritation = 1A to 1C - Causes severe skin bu			
	ins and eye damage		
Eye Damage/Irritation = 1 - Causes serious eye damage	· · · ·		
Precautionary Statement:			
	tective gloves, clothing, eye protection, face protection. Do not		
eat, drink, or smoke while using this product.	teetive gioves, clothing, eye protection, race protection. Do not		
•	r/doctor if you feel unwell. If on skin, wash with plenty of soap		
and water. Call a poison center or physician if you feel unwe			
Remove contact lenses, if present and easy to do. Continue			
	by person to fresh air and keep comfortable for breathing. If		
not breathing, give artificial respiration. Get medical attention			
Storage = Keep only in original container. Store containers in			
secure when not in use.			
Disposal = Review all federal, state and local laws regarding	disposal of this product. Dispose of contents/container to an		
approved waste disposal plant.			
Prolonged/Repeated Exposure Effects:			
Eye: Similar to effects from acute exposure			
Skin: May cause dermatitis and slow healing ulcers. Excess			
discoloration of the skin. Oxalic Acid may be absorbed via ir			
Inhalation: Chronic inhalation of Oxalic Acid can result in for			
Ingestion: Chronic exposure can lead to stone formation in t
