

WHITE CAP

Laundry Destainer & Brightener

PRODUCT USES Liquid, concentrated all-fabric brightener which removes stains and whitens cloth.

OPERATOR BENEFITS

- Provides outstanding results and economy.
- Twice as much bleaching action as regular household laundry bleach.
- Designed for use with automatic dispensing systems.

DIRECTIONS FOR USE

1. Carefully open the container to prevent spilling or splashing.
2. Insert the Destainer pickup tube into the container.
3. The Destainer is then dispensed automatically into the washwheel.
4. Replace with new container when empty.
