THE OPAL URINAL SCREEN is the top of the BIG D® PREMIER RESTROOM PRODUCTS line, with 71% more fragrance and weight than THE PEARL 3D URINAL SCREEN. **THE OPAL** is VOC compliant in all 50 states. It features a 1-sided anti-splash texture made of spikes that are 200% longer than those of THE PEARL, which help prevent splash back and cross contamination of urine to other areas outside the restroom. **THE OPAL** is flexible for a proper fit to any urinal contour. The translucent design allows total viewing of the drain to ensure it remains free flowing as it collects debris before the drain is clogged. **THE OPAL** is also safe for use in waterless urinals. The fragrance will last for 45 to 60 days.
