

In increasingly competitive markets, NPS offers a greater variety of products and services. Through our marketing programs, we create value and provide our distributors with a competitive advantage.

Sustainability...

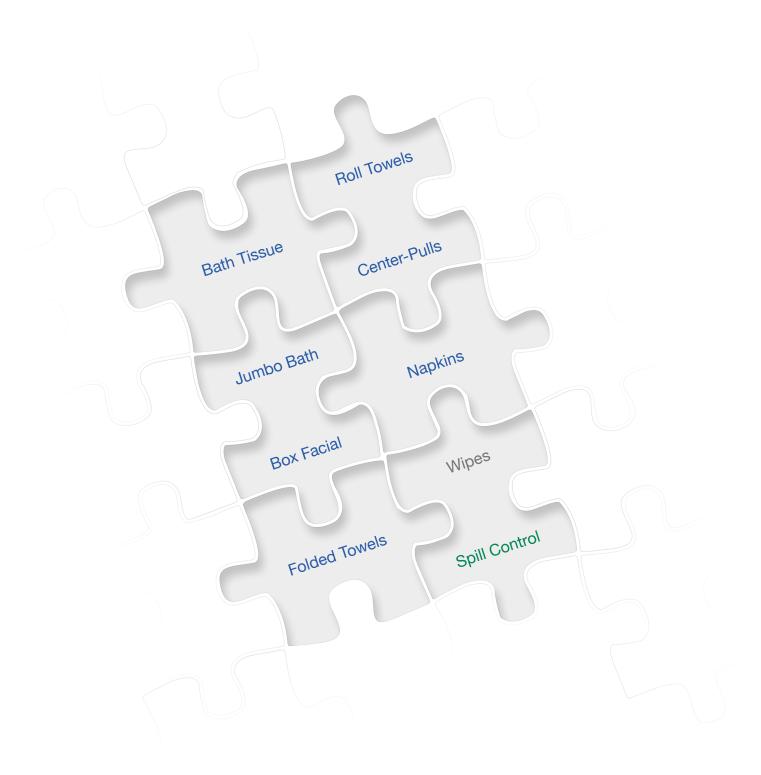

Its in our brands

SS spilfyter by NPS COIP

RETAIN

SEA CERTIFIC

We are all stewards of the environment and it is our duty to do what's right to sustain it for future generations. Our products meet or exceed the EPA recommended recovered (recycled) material content ranges on all towel & tissue products.

It's About You

Since opening our doors in 1996, we've placed you, our distributor, at the heart of our business. Our focus is a simple one, support you with a consistent quality product, at a competitive price and give you outstanding customer service. How do you want to package your opportunities?
