

Clean Store Program

Increase Your Sales and Profitability

Attract More Customers with a Clean, Welcoming Store

“Almost three-fourths of consumers believe a bad restroom indicates poor management.”

- Wisbusiness.com

At Betco®, innovation isn't a new direction, but a continuous commitment we've made, to the market, our customers and ourselves since 1950. This ongoing pursuit of innovation has taught us a few things. One of those important lessons is to simply and sincerely listen to the market. Innovation doesn't happen in a vacuum. It happens when we listen carefully, and then leverage our recognized and proven ability to develop breakthrough solutions on behalf of our customers. We think of it as innovation with a purpose. And, that purpose is you. We leverage our innovative spirit and experience on your behalf.

Increase Your Sales and Profitability with Betco's Clean Store Program

Training Tools for a Simple Program

Betco Wallchart Program

Create customized wall charts using color coding, icon and number usage.

Available in English, Spanish and French.

Betco Task Card Program

Customized cards with chemicals and equipment for specific locations and jobs. Contains helpful "tips for task" for effective training and increased safety.

Customized Training

Most employees are skilled in cleaning their own homes, however, when was the last time 100's of people walked through the front door! Untrained employees will clean inconsistently, incorrectly and/or sparingly. Proper training will reduce turnover, limit injuries and liability. Comprehensive quality training through expert instruction and support materials will maximize your employee and quality of clean. – *According to Convenience Store News*

- Reduce your slip and fall accidents with expert witness' on staff.
- Sanitized stickers – Ideal for bathroom and food service area.
- Restroom hand washing signs.
- Restroom Cleaning Log – Show a record of the cleaning times and procedures.
- (M)SDS Booklets – Ensures employee safety.
